HDPB2D-40 - 2D High Definition Printed Metal Badge (40mm)

A stamped iron badge with a 2D high-definition print on 1 side. This method of printing is perfect for creating smooth full colour badges with richly detailed designs.

Supplied with a butterfly clutch pin and a polished nickel-plated or brass-plated finish as standard.

Cut to shape in 6 standard sizes: 15/20/25/30/**40**/50mm.

Optional extras: alternative fitting/alternative plating (silver/gold/copper/chrome/black nickel)/alternative finish (sandblasted/antique)/printed backing card.

A textured 3D alternative is also available.

Bespoke badges have many styles and all sorts of uses as long-lasting promotional or retail products. They make fantastic gifts or awards and are excellent for high-volume event giveaways and campaigns.
