PSL20MMUK - 20mm Plant Silk Lanyard (UK Stock)

A sustainable UK-stocked 20mm plant silk lanyard available plain next-day or with a 1 colour screen print on 1 side in 5-8 working days. This silky smooth viscose and lyocell material is produced using plant stems recycled from grain crops offering a more sustainable alternative to conventional plastic-based fabrics.

NB: 2 small "Made from plant silk" designs are pre-printed in green on the reverse by the safety break.

Fitted with a black plastic safety break and metal trigger clip.

Available in off-white only.

4 standard materials: bamboo/organic cotton/**plant silk**/recycled PET.

Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.
