RPET DSWR - Recycled PET Event Wristband (Dye Sublimation Print)

A recycled PET event wristband with a dye sublimation CMYK print on 1 side. This method of printing is perfect for creating vibrant and detailed full colour designs.

Recycled PET fabric is an ultra-smooth and durable material that is not only water and tear-resistant but also a more sustainable alternative to polyester.

Fitted with a plastic single-use locking security toggle as standard.

Optional extras: multi-use plastic spring toggle/alternative fittings/dye sublimation print on both sides.

A UK-made version is also available along with a polyester alternative.

Wristbands are long-lasting and popular products found in many forms, from fashion or sports accessories to ID or security passes. As promotional items they're perfect for fundraising and awareness campaigns.
