RPDL15-E - Express 15mm Recycled PET Dye Sublimation Print Lanyard

An Express ultra-smooth recycled PET lanyard with a dye sublimation print on 1 or both sides. This material made from recycled plastics offers a more sustainable alternative to conventional plastic-based fabrics.

Fitted with a black plastic safety break and metal trigger clip.

4 standard sizes: 10/**15**/20/25mm.

Optional extras: alternative fittings.

Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.
