3DLAN-20 - 20mm 3D Logo Lanyard

A striking polyester lanyard featuring 3D branding with up to 4 colours on 1 side.

Fitted with a black plastic safety break and metal trigger clip.

Available in a wide range of standard colours.

3 standard sizes: 15/**20**/25mm.

Optional extras: additional colours/alternative fittings.

Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.
