EMB-20 - Stamped Iron Soft Enamel Badge (20mm)

A fully bespoke iron badge with a recessed design stamped on 1 side and a soft enamel infill of up to 4 spot colours. Soft enamel is best for creating detailed and textured badges with raised and sunken areas.

Supplied with a butterfly clutch pin and a polished nickel-plated or brass-plated finish as standard.

Cut to shape in 7 standard sizes: 15/**20** /25/30/40/50/60mm.

Optional extras: additional spot colours/alternative fitting/domed epoxy coating/alternative plating (silver/gold/copper/chrome/black nickel)/alternative finish (sandblasted/antique)/printed backing card.

Also available with a hard enamel infill or without any infill at all for an entirely metal badge.

Bespoke badges have many styles and all sorts of uses as long-lasting promotional or retail products. They make fantastic gifts or awards and are excellent for high-volume event giveaways and campaigns.
