RUB003 - Promotional Rubik's Edge (57mm)

A Rubik's Edge is essentially 1/3 of a conventional 3x3 Rubik's Cube personalised with full colour artwork on all 6 faces. The 2 flat faces (each with 9 squares) and 4 edges (each with 3 squares) have glossy square stickers on which the artwork is digitally printed.

NB: The official Rubik's logo must appear somewhere on the cuboid (see artwork template).

The black blocks are made from 100% post-consumer recycled HIPS plastic.

Individually shrink-wrapped as standard.

Optional extras: white blocks/anti-scratch matt stickers.

RETAIL: Rubik's products purchased for retail require specific approval from Spin Master (not guaranteed) and incur higher prices and MOQs (please enquire for details).

What better way to promote companies and brands than by customising the bestselling toy of all time? This Rubik's range sees the world's most popular puzzle transformed into top-quality promotional products.
