

SATH - Silicone AirTag Holder

A super handy silicone AirTag holder with a screen print on the reverse. Simply insert an AirTag tracking device into this soft and protective holder before securely attaching it to whatever important possession needs looking after. This holder can be connected to a broad variety of valuable belongings ranging from keys and wallets to bags and bicycles.

Fitted with a strong zinc alloy clip.

6 standard colours:
black/yellow/blue/green/white/pink.

Optional extras: additional spot colours/alternative fittings/pantone matching.

All sorts of accessories enhance our experiences with tech. Some clean or store devices while others have more specific uses e.g. phone stands. When personalised, these items make great promo or retail products.
