# PAPL25(B) - 25mm Paper Lanyard

A durable paper-based lanyard screen printed with up to 4 spot colours on 1 or both sides. This non-tearable product consists of 95% sustainably sourced wood pulp fibre (paper) mixed with 4% water and 1% wet strength agent (glue).

Fitted with a wheat straw or black plastic safety break and metal trigger clip.

Available pantone matched as standard.

4 standard sizes: 10/15/20/**25**mm.

Optional extras: additional spot colours/alternative fittings.

*Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.*
