RUB017 - Rubik's Mini Twist

A miniature version of the Rubik’s Twist (aka the Rubik’s Snake) personalised with full colour artwork on 4 faces. The 2 long flat faces (each with 6 rectangles) and 2 long edges (each with 12 triangles) have glossy square stickers on which the artwork is digitally printed. This unique item consists of 12 triangular prism-shaped blocks connected in a long line by spring bolts. These bolts allow the blocks to be twisted into all sorts of shapes ranging from various abstract or animal forms to a makeshift phone stand.

NB: The official Rubik's logo must appear at both ends of the twist (see artwork template).

The black blocks are made from 100% post-consumer recycled ABS plastic.

Individually shrink-wrapped as standard.

Optional extras: anti-scratch matt stickers/plain white or branded paper box.

RETAIL: Rubik's products purchased for retail require specific approval from Spin Master (not guaranteed) and incur higher prices and MOQs (please enquire for details).

What better way to promote companies and brands than by customising the bestselling toy of all time? This Rubik’s range sees the world’s most popular puzzle transformed into top-quality promotional products.
