

NEOCT - Neoprene Cable Tidy

A circular 100mm neoprene cable tidy with a screen or full colour print on 1 side. Soft but durable 3mm neoprene is tear-resistant and water-repellent. Great for securely holding wires together to create a safer and more organised home or workspace environment.

NB: Flexible neoprene cannot easily be screen printed with more than 1 colour per position when the registration of colours is tight (designs are confirmed on sight of artwork).

Fitted with a metal press stud closure.

Available in a wide range of standard colours.
