CFK-OD - Cork Keyring Oval Disc

A cork oval disc keyring with an engraving or screen print on 1 side. Cork is a durable and sustainable material that can even float on water if large enough. Great for all water-related work and activities.

NB: Prices are based on a simple engraved design covering no more than 50% of the surface (subject to confirmation on sight of artwork). Engraved logos may differ subtly in appearance due to slight variations in the colour and finish of natural cork.

Supplied in a natural light brown colour as standard with 4 rope colour options: White, Black, Red, Blue.

Available in 3 standard shapes with different fittings depending on size.

Rope with metal clamp and split ring: round/**oval disc**.

Metal chain featuring a jump ring and split ring: bottle stopper.

Optional extras: additional spot colours/printed backing card.

High-quality bespoke keyrings are long-lasting and popular products people always keep close at hand. They make a great retail product and an effective promotional tool when used as a gift or giveaway item.
