# PSL10 - 10mm Plant Silk Lanyard

A textured plant silk lanyard screen printed with up to 4 spot colours on 1 or both sides. This silky smooth viscose and lyocell material is produced using plant stems recycled from grain crops offering a more sustainable alternative to conventional plastic-based fabrics.

Fitted with a black plastic safety break and metal trigger clip.

Available in off-white as standard or pantone matched at an additional cost.

3 standard sizes: **10**/15/20mm.

Optional extras: additional spot colours/alternative fittings/pantone matching.

*Lanyards help hold and display ID badges or security passes and carry small items like keys. They're used day-to-day by many organisations and for all sorts of special occasions, from conferences and exhibitions to sports and entertainment events. This makes them an affordable and highly effective marketing tool.*
