RBPC-S - Reflective Backpack Cover (Standard Material)

A handy backpack cover made from standard yellow reflective material with a screen print on 1 side positioned between 2 grey reflective strips. Perfect for covering a backpack or rucksack to keep it clean and dry while also making it reflective for added safety in low visibility conditions.

Fitted with a black drawstring closure featuring a plastic adjuster toggle.

Standard size: 500x400x100mm (custom sizes available at an additional cost).

A premium alternative made using 3M reflective material is also available.

This superb range of sporty products includes items ideal for individual use as well as for clubs and teams or even competitions. Perfect for any and all sports and exercise or health-related promo or retail purposes.
