SMSC-L - Sticky Microfibre Screen Cleaner (Large)

A sticky microfibre screen cleaner with an all over full colour print on 1 side. This handy microfibre cloth has PU gel on the reverse that allows it to stick firmly to the back of a flat device or case (smartphone/tablet) ready to be peeled off and used to clean dirt or dust from the screen. It can then be replaced and reused time and time again and is even suitable for handwashing with water.

2 standard sizes: small (30x38mm)/**large (70x70mm)**.

Optional extras: printed backing card.

All sorts of accessories enhance our experiences with tech. Some clean or store devices while others have more specific uses e.g. phone stands. When personalised, these items make great promo or retail products.
