BPTS-Phone - Bean Bag Phone Stand

A triangular polyester bean bag phone stand with a full colour all over print. This soft and lightweight but stable stand is an attractive desktop accessory perfect for propping up a mobile phone. Ideal for safely storing a device that is not in use and as a hands-free means of holding a phone (vertically or horizontally) while watching/reading something or making a video call.

NB: Bigger bespoke bean bag stands can also be made to support larger items like tablets and e-readers (please enquire for details).

Fitted with an anti-slip microfibre base and stuffed with beans and additional filling material as standard.

Optional extras: decorative woven label.

All sorts of accessories enhance our experiences with tech. Some clean or store devices while others have more specific uses e.g. phone stands. When personalised, these items make great promo or retail products.
