HEMB-20 - Stamped Iron Hard Enamel Badge (20mm)

A fully bespoke iron badge with a recessed design stamped on 1 side and a hard enamel infill of up to 4 spot colours. Hard enamel is best for creating bold and durable badges with flat and smooth surfaces.

Supplied with a butterfly clutch pin and a polished nickel-plated or brass-plated finish as standard.

Cut to shape in 7 standard sizes: 15/**20**/25/30/40/50/60mm.

Optional extras: additional spot colours/alternative fitting/alternative plating (silver/gold/copper/chrome/black nickel)/alternative finish (sandblasted/antique)/printed backing card.

Also available with a soft enamel infill or without any infill at all for an entirely metal badge.

Bespoke badges have many styles and all sorts of uses as long-lasting promotional or retail products. They make fantastic gifts or awards and are excellent for high-volume event giveaways and campaigns.
