

TIE-CUFF-S - Woven Silk Tie & Cufflink Box Set

A silk tie in a square black cardboard box featuring a hinged lid and cufflinks made from matching fabric. Designed and woven to order with up to 6 colours. Weaving is ideal for creating bold and textured designs like logos or emblems. The super soft feel of silk makes for a luxurious tie that is both lightweight and breathable while highly durable.

NB: All prices are subject to sight of artwork and designs requiring a high-weft technique may incur further surcharges (please enquire for details).

On the reverse of the tie a fabric self-loop holds the tail in place. A bespoke woven label can be included alongside or in place of this.

Optional extras: additional colours/matching silk handkerchief (only available with a simple horizontal design featuring no pattern or logo).

2 standard materials: micro polyester/**silk** (also available in polyester or poly-silk).

Ties and scarves of all sorts of styles make stylish and sophisticated retail items and promo gifts. They're fantastic for sports and social clubs or as part of a school or corporate uniform. Bespoke neckwear can also be combined with accessories like cufflinks or handkerchiefs to create a truly unique and elegant set.
